INDIANA UNIVERSITY  
KOKOMO

OFFICE OF  
ACADEMIC AFFAIRS

Dear Members of the IU Kokomo Extended Family:

I am delighted to share with you the wonderful outcome of a very vigorous and successful search for a new dean of the Indiana University Kokomo School of Nursing. After campus interviews of three extremely qualified candidates, the search committee recommended we look to our own Dr. Linda Wallace to lead our School of Nursing.

For those of you who may not be familiar with Linda, let me provide just a few details. Linda earned her BSN from Minot State College, Minot, SD; her MSN from University of Mary, Bismarck, ND, and her EdD from Ball State University, Muncie, IN. she has been with IU Kokomo since 1992, when she began her faculty career with us as a visiting lecturer.

We are so fortunate Linda chose to have a career at IU Kokomo, progressing from lecturer to associate professor and assuming an even greater leadership role in the School of Nursing and across the campus. Since July of 2003 Linda has been the Director of International Studies in our School of Nursing, facilitating a wonderful exchange program with Margaret Pritchard University, Jeonju, Korea.

Prior to coming to IU Kokomo, Linda held numerous supervision roles in hospitals in California and Maine. Her experiences in the clinical environment and her depth of knowledge about current and future directions in nursing education, and her depth of care and commitment to her faculty colleagues, staff, and nursing students make her the ideal choice as our new dean.

We couldn't be more pleased or proud of Linda. We all look forward to thriving under her guidance and collaborative leadership.

Please join me in welcoming Dr. Linda Wallace as Indiana University Kokomo's new Dean of the School of Nursing.

Best regards,
