

A Message from the Dean.....

Welcome to the School of Nursing web site! We are pleased that you are interested in a degree in Nursing. It is an exciting and challenging time to be a nurse. With the current shortage you will be in demand as a nurse and there will be many opportunities to create your own future. Our faculty and staff are well prepared to facilitate your career education needs.

The Indiana University Kokomo School of Nursing is accredited by the Commission on Collegiate Nursing Education (CCNE) of the American Association of Colleges of Nursing. We anticipate our next accreditation visit in 2010. Currently we offer a baccalaureate degree in the science of nursing (BSN) for those who are as yet unlicensed as nurses and a completion program (RN to BSN) for registered nurses who wish to earn a BSN. We are in the process of developing a master's degree in nursing (MSN). Lynda Narwold (lnarwold@iuk.edu) is Director of our RN to BSN Program. Dr. Susan Hendricks (shendri@iuk.edu) is Interim Chair of our BSN and Higher Degree Programs.

Our students and faculty are involved in a variety of community and international projects. You can find more information about these on our web page.

If you are interested in finding out more about our programs please contact Student Advisor, Morris Starkey, by email at mstarke@iuk.edu or by calling his office at 765.455.9384.

I look forward to meeting you in the near future! You are welcome to contact me by email at lwallace@iuk.edu or my office at 765.455.9288.

Linda S. Wallace, EdD, MSN, RN

Dean, School of Nursing
Associate Professor and Director of International Studies
