The United States Department of Education regulations require that an educational institution must obtain an authorization to:

- Use Title IV funds to pay for educational costs incurred by the student other than tuition and fees, (such as a parking decal fee, etc.).
Example: If this form is not signed, parking would NOT be paid by Title IV funds. It would need to be paid directly by you.
If left unpaid, a parking decal would not be issued and mailed.
- Pay prior year charges up to \$200.
- Hold funds while resolving eligibility requirements.

TITLE IV FUNDS INCLUDE: PELL GRANT, ACG GRANTS, SMART GRANTS, SEOG, PERKINS LOAN, STAFFORD LOAN AND DIRECT LOANS.

I authorize Indiana University Kokomo (IUK) to apply any funds I receive toward payment of tuition, fees, parking and other charges billed through my IUK bursar account. I authorize IUK to pay prior year charges and release funds to me after resolving eligibility. I understand that I can rescind any portion of this authorization in writing at any time and that this authorization is valid for my entire academic career at IUK.
