Virgil Hunt Fellowship Guidelines and Rubric

The Personal and Professional Statement will be automatically used to evaluate all M.S. candidates' eligibility for an award of the Virgil Hunt Fellowship. The Virgil Hunt Fellowship is a monetary scholarship that is granted for the spring semester of the candidate's first year in the M.S. degree program. All candidates have the option of not seeking the fellowship. If this is the preference, please indicate in writing to the Education office no later than September 15 of the candidate's first year.

Virgil Hunt Fellowship Rubric

	Acceptable	Not Acceptable
Personal Statement	Statement reveals a significant/unique contribution and/or level of commitment.	Statement reveals an expected level of commitment and/or contribution to the profession.
Professional Statement	Statement reveals candidate's professional growth and increasing commitment to improving student learning.	Statement reveals candidate's professional development and level of commitment to student learning.
