

INDIANA UNIVERSITY  
KOKOMO

DIVISION OF EDUCATION

**What suggestions do you have for a successful college experience?**

**Top 10 Ways to Succeed at IU Kokomo, presented during New Student Orientation**

1. Be responsible for your own learning
2. Attend every class
3. Do reading/homework daily
4. Take good notes
5. Make college a high priority
6. Get involved – join a club
7. Balance your schedule
8. Be open to learning
9. Ask questions
10. Get to know your professors

**Read your IU Kokomo emails**

1. Official way in which persons within the university will communicate with you
2. Advisors send announcements about registration and up-coming meetings

**Take advantage of advance registration**

1. The Registrar creates a time for you to enter your course selections
2. The sooner you register the more likely you are to get the class times you want.
3. You can plan other activities based upon your class times.

**Contact your Academic Advisor**

1. If you just don't know what to do, contact your Academic Advisor
2. Don't start your conversation with "This might be a stupid question." If you don't have the information you need, just ask.

**Check out the Education web site**

1. Each program has an individual page with details of degree and teaching requirements
2. Graduate Education: Students with an undergraduate degree may pursue graduate course work.
3. Indiana Teacher License Renewal and Continuing Education: For teachers who want to enroll in additional course work
4. VISION: Program for Teachers
5. Early Childhood Education Center: Explains and lists their activities and events
6. Education News Blog: Visual description of what to expect within Education
7. Upcoming Events: List of scheduled activities and events
8. Division Newsletter: What is in the news for Education, posted weekly
9. Assessment Data: Information regarding performance
10. Curriculum Lab: Facility for Education majors
11. Faculty and Staff: Get to know your professors and Education staff
12. Organizations: Get to know students -- Join an Education club
13. Scholarships: Information about Education scholarships
