Miss Hoosier Heartland Miss Hoosier Valley

Informational Meeting

If you have ever pictured yourself on the Miss America stage and are looking for an opportunity to pursue your dream, earn scholarship money, make new friends, and learn more about yourself, then the Miss Hoosier Heartland Scholarship Program is for YOU! It is not just about the crown but about the scholarships you can earn. The Miss Hoosier Heartland/Miss Hoosier Valley Scholarship Organization is celebrating their 29th pageant and Miss Indiana, **Katie Stam**, becoming **Miss America**. After 89 years in existence, Katie is the first Miss Indiana ever to become Miss America.

The Miss America Organization (MAO); which now includes the Miss America Outstanding Teen program, is one of the nations' leading achievement programs and the world's largest provider of scholarship assistance for young women. Last year, the Miss America Organization (MAO) made available nearly \$45 million in cash and scholarships. This assistance is not just for the handful of young women who become Miss America, but it is available to over 12,000 ladies who compete in the state and local competitions as well. The MAO is a not-for-profit organization, which consists of a strong network of volunteers and donors who believe their contributions positively affect the thousands of women who participate in local, state and national Miss America programs each year and since the inception of Children's Miracle Network in 2007 becoming the national platform the MAO has donated over \$2,400,000.00.

At this meeting you will have the opportunity to ask questions about the organization, meet current titleholders, and learn how YOU can take that first step toward becoming Miss America!

We will crown two (2) young woman if we have 8 contestants.
