

INDIANA UNIVERSITY KOKOMO
ACADEMIC HONORS PROGRAM

H-OPTION CONTRACT

Name _____ Student I.D. # _____

Email Address _____ Major _____

Phone _____ Major Advisor _____

List Honors courses and H-option courses completed: _____

Course Title for which H-Option is being created: _____

Course Instructor: _____

1. Please briefly describe your objectives and the nature of your H-option project in 100-400 words on a separate sheet of paper, attached to this. Please include your name, instructor and course title.

2. Why are you interested in contracting this course for an H-Option course? (This may be put with the above project description.)

3. Portion of course credit to be given to the Honors project (typically in percentage terms): _____
If a project normally assigned is to be expanded, use the resulting total percentage or weight.

4. After the end of the course, either the project itself (if in written form) or a description of the project must be submitted electronically to the Honors Director, along with a brief narrative (one page) about the project and the student's assessment of it. Suggestions for future H-options are appreciated.

Student _____ Date _____

Instructor _____ Date _____

Honors Director _____ Date _____

NOTE: The H-Option contract must be completed by the end of the third week of classes (by the second week for summer courses). Please refer to the H-Option Guidelines. After both student and instructor have signed, the student should send the contract to the Honors Director.
