IUCAT

The Indiana University Kokomo Library owns numerous sources that provide information on political and cultural issues. The essays in *Someday We'll All Be Free* deal with Hurricane Katrina, the 2004 political election, and September 11th. This handout is intended as a starting point for locating materials. To see a more complete listing of the Library's holdings, please consult the online catalog, ***IUCAT***. Below is a sampling of some of the official Library of Congress (LC) subject headings that could be used in ***IUCAT*** to find resources.

Electronic Databases

[Academic Search Premier](#)

Multi-disciplinary database that indexes and includes full-text to scholarly publications covering academic areas of study including social sciences, humanities, education, computer sciences, engineering, language and linguistics, arts & literature, medical sciences, and ethnic studies.

[Biography Resource Center](#)

Provides full-text biographical information on people from throughout history, around the world, and across all disciplines and subject areas.

[CQ Researcher](#)

The **CQ Researcher** is the choice of researchers seeking original, comprehensive reporting and analysis on issues in the news. The single-themed **CQ Researcher** report offers in-depth, non-biased coverage of political and social issues, with regular reports on topics in health, international affairs, education, the environment, technology and the U.S. economy.

[GPO Access Databases](#)

GPO Access is a Web site provided as a service of the U.S. Government Printing Office. **GPO Access** provides free electronic access to information products produced by the Federal Government.

[LexisNexis Academic](#)

Provides full-text access and/or indexing and abstracting to information in a wide range of subject areas: federal and state law, general and political news from both U.S. and non-U.S. sources, corporate news and financial information, industry and market news, medicine and health, and country profiles.

[Literature Resource Center](#)

A complete literature reference database. Rich in biographical, bibliographical, and critical content, it is the premier Internet resource for information on literary figures from all time periods writing in such genres as fiction, nonfiction, poetry, drama, history, journalism, and more.

[NewsBank NewsFile Collection](#)

Contains full-text news articles covering social, economic, environmental, government, sports, the arts, people, health and science issues and events from more than 500 U.S. regional and national newspapers, wire services, and broadcasts.

[Opposing Viewpoints Resource Center](#)

A source for information on social issues. Access viewpoint articles, topic overviews, statistics, primary documents, links to Web sites, and full-text magazine and newspaper articles.

[Sociological Abstracts](#)

Indexes the international literature in sociology and related disciplines in the social and behavioral sciences. Provides abstracts of journal articles, books, book chapters, dissertations, and conference papers, as well as citations to book reviews.

[TOPICsearch](#)

Covers social, political and economic issues, scientific discoveries and other popular topics. Contains full-text documents as well as selected full-text articles for U.S. newspapers.
