

Returning Students

Returning students are those who have previously taken classes at Indiana University Kokomo, but have not attended for two (2) semesters or more.

Student records are now available on-line via ONESTART. Those records include your personal information, degree progress, unofficial transcript, financial aid applications, and student billing account information.

To reactivate your student status and view your student record on-line via ONESTART, please follow the directions below:

1. Send an email request to the Office of the Registrar at koregis@iuk.edu

Please include the following information for identification purposes:

Full Name

Give former or maiden name, if applicable

**Birth month and day (not year)

**Last four (4) digits of your Social Security number

Approximate dates of previous attendance

Major or area of study

2. You will receive a return email with further instructions.

***Note: Disclosure of this information is strictly voluntary and will be used only for identification purposes.*
